RESPONSE

This is in response to the Office Action mailed June 5, 2007, in which the Examiner indicated that Applicant's Information Disclosure Statement filed June 26, 2002, fails to comply with 37 C.F.R. 1.98(a)(1).

Applicant had submitted a copy of the International Search Report for the corresponding PCT application which listed A references (document defining the general state of the art which is not considered to be of particular relevance).

Notwithstanding the above, enclosed herewith is form PTO/SB/08A listing the U.S. patents and International Patent Applications noted in said International Search Report. Also enclosed are copies the listed International Patent Applications.

Respectfully submitted,
